I am in the process of sending out to qualified people appropriate portions of our basic strategic intelligence text for review and suggested changes, emendations or additions.

The section on Economic Intelligence is attached. I am most eager to have you review it and to have your informal suggestions.

As we begin a new class in the near future, like many others, I need the material rather urgently. Is it possible that I might have it returned about 1 April?

With my appreciation and that of the U. S. Army Strategic Intelligence School, I am.

Sincerely,

Aldon M. Hoffman
